## **Harnessing Our Ocean Wealth Newsletter**

The first issue of a six-monthly newsletter has been published to update the stakeholders in *Harnessing Our Ocean Wealth: An Integrated Marine Plan for Ireland* on the progress in implementing Ireland's Integrated Marine Plan. The newsletter is attached to this email or alternatively click on this link which will bring you to the Ocean Wealth website <http://www.ouroceanwealth.ie/Lists/News/AllItems.aspx>

The Plan was launched by An Taoiseach, Enda Kenny T.D. and Simon Coveney T.D., Minister for Agriculture, Food and the Marine in July last year and many diverse actions to support the implementation of the Plan are being undertaken by the Government Departments and State Bodies involved with its implementation. A sample of these actions are outlined in this Newsletter. As this is the first Newsletter we would welcome any feedback on its content and structure so it can be developed to suit the information needs of the stakeholders and a contact address is supplied at the end of the Newsletter.

A more detailed summary of the recent progress on the short-term and ongoing actions identified in *Harnessing Our Ocean Wealth* has been posted on the Ocean Wealth website on its *Update on Progress* page. A link to this page can be found in the Newsletter.
